

9 November 2017

Dear Parents and Carers,

As part of the Edexcel GCSE curriculum, students are required to create two pieces of music - this component of the course is called 'composition'. To further support this work, I have arranged for students to use the facilities at Community Music located at the Brady Arts Centre, which is a 10-minute walk from the School. Over the next few weeks, students will leave school accompanied by Miss Cusack, and walk to the Brady Arts Centre where tutors will help them develop their composition ideas. This will give students the foundation to being able to then continue with their work at Wapping High and at home. The sessions will take place in the students' normal timetabled GCSE Music lessons, so there will be no impact on other subjects.

Please fill-in the slip below, giving permission for your child to leave the School site. The first session will take place on Tuesday 14 November between 11.00-13:00.

Yours faithfully

Ms K Cusack  
Head of Performing Arts
