28th February 2018

Headteacher: Gary Nelson

Dear Parents/Carers,

I am delighted to inform you that a prominent speaker will be joining us here at Wapping High on 22nd March. They will be delivering an assembly focussed on inclusivity and LGBTQ+ history, and will then meet with Student Council members, as well as a selection of students who are keen to promote diversity at Wapping High School.

This individual has been a longstanding spokesperson for the charity 'Stonewall', who work tirelessly to reduce homophobic bullying in schools. Wapping High is currently a Stonewall Champion, and our student and staff Working Party are working on achieving the Bronze Champion Award.

If you have any concerns or queries about this event, or wish to discuss the content of the assembly further please do not hesitate to contact me via tiffanyingram@wappinghigh.org.

Thank you in advance for your support.

Yours faithfully,

Ms. T. Ingram
Head of Tyburn House / Acting Head of Languages
