Dear Parents/Carers,

We are pleased to inform you that your daughter has been selected to take part in a one hour long 'Girls on Board' session, which is being hosted here at Wapping High on Thursday 28th June.

The workshop will focus on friendships and navigating these with positivity and determination. Girls will work on developing their resilience and communication skills, as well as problem solving.

The aim of this session is to equip our girls with the tools they need to be happy and fulfilled at school, and therefore completely able to focus on their curriculum and learning.

Kind regards,

Ms. T. Ingram
Head of House
