## **Headteacher's Message**

---

Dear Parents and Families,

We are now firmly back into the swing of things after the half term break and as always there is a great deal going on at Wapping High.

The Year 11 exam series is nearly over now and the Year 11 have been absolutely amazing throughout.

Staff are also very busy at the moment beginning their planning for the autumn term and the developments in the new curriculum offer here. These are truly exciting times for the school and I am proud to be part of this next stage in the school's journey.

Can I also take this opportunity to remind families that next Friday 15th of June is a Leadership Day which also coincides with Eid and is, therefore, a non-school day for students. There is, however, a GCSE Physics Exams running in the morning which is being staffed and supported by the Senior and Admin teams but no other students need to be on site on the 15th of June.

Can families please note that due to the new week structure here at Wapping High in September, there will be no Leadership Days calendared for the next or subsequent academic years.

Best wishes to you all,

Mr Nelson  
Headteacher

## News

---

### **Reach Out**

It's an exciting time for our Reach Out boys at the moment, with several trips coming up in June and July.

All of our attendees have been invited to the Reach Out Graduation Ceremony at Mintel on the 18th June which will be a chance to celebrate their achievements and successes this year.

Year 9 and 10 boys are also visiting Macquarie Investment Bank on 13th of June as well as being invited on an adventure weekender (13th-15th July) as a reward for their outstanding attendance! They were able to beat all other groups across London to earn this awesome prize.

Well done to all!

Ms Ingram

---

### **Make it!**

Year 8 students taking part in the Make it! mentoring programme have been invited to a training day on the 18th June.

Their objective is to learn how to deliver a valuable session to our incoming Year 7's to ease the transition period from primary into secondary school.

Please ensure you have signed the permission slip and ask your child to deliver it to Ms. Ingram or to reception.

Ms. Ingram

---

### **SEND Tip of the Week**

---

Try using text sheets, previous learned work and exercise books to highlight appropriate points as well as keywords.

Also try making notes of the key points onto revision cards which will build your confidence and help you memorise vital information for your exams. This is a great way for Year 10's to prepare for their upcoming mocks and for the other year groups to prepare for their internal exams.

Miss Akther

---

### **Important Examination Information**

As we approach the final two weeks of the Year 11 GCSE examinations, we really look forward to the start of the mock exam and end of year exam process with our younger students.

#### **Dates:**

18th June 2018 -Year 10 mock exam week.

25th of June - Year 7, 8 & 9

Letters have been sent to Year 7, 8 & 9 parents outlining all of the examination details. Find a copy of the Year 7 & 8 letter [here](#) and the Year 9 [here](#).

We encourage students to set aside time each evening and during weekends to revise for their examinations in blocks of 20 minutes.

If you have any questions about the examination process at Wapping High School, please don't hesitate to get in contact.

Mr Palmer

---

### **Year 11 Prom**

Excitingly, there isn't very long left now until the Year 11 Prom which is on the 27th of June. Please can all Year 11's return their reply slips and payments to the school Reception.

Thank you.

Mr Ali

---

### **Year 9 Parents Evening 13th of June**

This is an important event for your child and we hope that you will attend with your son or daughter as this will be an opportunity for you to discuss your child's progress with each individual subject teacher. Parents are required to book their meetings with their child's teachers via their planners, page 125. Please ensure that you bring their planner with you as your child will complete this page with a list of their appointments with their subject teachers in preparation for the evening.

Thank you.

Mr Ali
