Buy a Chromebook

Dear Parents and Carers,

Many of you have already joined the Chromebook program and are enjoying the benefits of using the device in and out of school though a few of you may have missed out on the opportunity to join the program and if so, you now have until Oct 10th 2018 to get your very own Chromebook.

Ordering portal

www.tech4learners.co.uk

Ordering window

12th Sept 2018 - Oct 10th 2018

Username: Wapping18

Password: Welcome01

We have worked with Freedomtech to provide you with a very competitive offer of a Chromebook that will integrate with the learning tools that we are providing at school. The devices come with three years of warranty and insurance with no excess. By using the school's buying power and dealing with the IT provider directly, we have achieved significant savings against standard retail prices.

Committing to a fixed, monthly payment will provide your son / daughter with a personal device that they can use at home and at school. This package inclusive of all necessary insurance and warranty costs. Please follow the instructions on the leaflet to select the equipment.

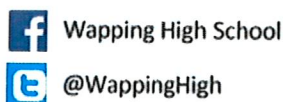

The portal to buy a Chromebook is open from 12th September 2018 and the deadline to purchase is 10th October 2018.

If you require support with placing an order or for more information on the scheme, please contact myself, Umech Patel at Wapping High School by phone or via email at umechpatel@wappinghigh.org. I will be more than happy to explain the scheme to you and offer any advice or assistance.

Yours faithfully,

Umech Patel
