

8th of July 2020

Dear Parents and Carers

Re: GCSE Results Day

I hope that this finds you, your friends and family well during these exceptional times.

I am writing to update you with our plans for your child's GCSE Results Day which will be on: Thursday the 20th of August.

Having conducted a survey with the year group, we have found that the majority of students would prefer to come into school to collect their results. We are delighted that we will have the opportunity to share this exciting day with those who come into school and also that we will be able to provide support with any questions or concerns that arise.

The day will however look different to previous years given the current climate and we must adhere to social distancing guidelines as set out by the Government. We would therefore like to invite each student to bring one family member and collect their results in the following time slots:

Surnames beginning with the letters A-B: 10.00am

Surnames beginning with the letters C-L: 10.45am

Surnames beginning with the letters M-T: 11.30am

We ask that you arrive promptly at your time slot so that we can ensure that the number of people on site at any one point is kept to a safe level. Please arrive at the front reception where we will greet you and take you into the school. We will be operating a one-way system and there will be hand sanitiser available at regular intervals.

If your child would prefer to receive their results through their school email account and they haven't already informed of this, please contact the school using the email below before the 17th of July and we will arrange this:

jonathanpalmer@wappinghigh.org

We wish you and your child all the very best for the summer as you prepare for the next phase of their education. If you have any questions at all, please don't hesitate to get in contact.

Yours sincerely

Jonathan Palmer
Assistant Head Teacher
