

18th December 2020

Dear Parents and Carers,

I would like to warmly welcome you to our first termly pastoral update at Wapping High School. Let me start off by saying that I do hope your child enjoys their Winter Break - it has certainly been an unusual academic year so far but overall I am very pleased to report it has been a successful term for students.

We have been really proud of how Year 7s have adapted to their new surroundings. It is certainly not an easy transition into Secondary School - let alone with the changes we have had to cope with to ensure student and staff safety. Year 7, however, have coped admirably and we are all extremely proud of them. We have seen lots of curiosity, excellent attitudes to learning and a real keenness to get involved in subjects!

### **Celebrating Success**

We have a real passion for celebrating success at Wapping High and I am delighted to report that Year 7 have achieved over 7000 Epraise House Points so far! In the near future, we will also have the pleasure of celebrating Subject Awards where many students will be receiving certificates for their continued effort and hard-work across the curriculum. I know that many students will have also had positive feedback through postcards and phone calls home too.

### **Epraise**

You may recall receiving a letter earlier in the year explaining our Rewards and Sanction system **Epraise**. We would love for all of our parents to be connected to this system to see the brilliant updates on their childrens' attitude to learning. To access Epraise simply go to <https://www.epraise.co.uk/index.php?view=schools> (your first login should be from a computer), select Wapping High School, then Parent and log in with the email address that you have provided to the school. You can then download the App for Android or Apple!

### **Reach Out mentoring**

We are so pleased to have partnered with Reach Out Mentoring for the 5th year running, although this year's sessions look a little different and have moved online! We still have a couple of spots available for boys (Tuesdays) and girls (Thursdays) to take part in a brilliant programme built around the four character strengths of good judgement, fairness, staying power and self-control.

Students work with their personal mentors on Maths and English skills and engage in loads of great team-building activities to boost their confidence and self-esteem. Sessions run weekly from 6 - 7.15 pm via Zoom (contact Mr Webb for an application form).

### **Parents' Evening**

Year 7 will have their first Parents' Evening on **Thursday 10th June**. We will update you further on how this event will look nearer to the time.

### **Contact**

If you would like any further updates from your child's tutor then please see the following email addresses:
