

16<sup>th</sup> of September 2020

Dear Year 11 Parents and Guardians

**Re: Year 11 Information Evening**

I hope that this finds you, your friends and family well during these exceptional times.

I am writing to update you with the details of your child's Year 11 Information Evening which will be held on Thursday the 24th of September.

We are delighted to report that our year 11 leavers achieved fabulous GCSE results this year continuing the excellent year-on-year trend of high grades at Wapping High School. This year we aim to build on the successes of the previous cohorts whilst keeping student wellbeing a priority to ensure that your child is best prepared for their GCSE examinations next summer.

In order to better understand the year ahead and how to support your child with their studies and any changes to the GCSE assessment criteria due to the Coronavirus pandemic, we invite you to join an online panel discussion with a senior leader and to watch a series of pre-recorded video messages from subject leaders.

The event will be held at 5.00pm on Thursday the 24th of September with the Google Meet invite sent via text earlier in the week. All digital content shared including the videos will be available for you on the school's website following the event.

We would like to also take this opportunity to inform you of some key dates for events which we will talk more about during the Information Evening:

**Monday 2nd of November**                      **Year 11 Mock Examination Week 1**

**Thursday 14th of January**                **Year 11 Parents Evening**

**Monday 22nd of February**               **Year 11 Mock Examinations Week 2**

**Monday 10th of May**                        **Start of the GCSE Examinations**

We very much look forward to seeing online next Thursday and to working with you and your child throughout Year 11.

Yours sincerely

**Jonathan Palmer**  
Assistant Head Teacher
