

15th March 2022

Dear Parent or Carer,

Re: Rescheduled Year 8 Parents Evening, 29th March 2022

We hope that this letter finds you and your family well.

It is our pleasure to be writing to you today to inform you of the plans for our rescheduled Year 8 Parents Evening which will be held on the 29th of March from 4.00pm until 6.00pm.

We were saddened to have to postpone our initial date earlier this month due to the industrial action by Transport For London (TFL). We are however delighted to be hosting a new date and welcoming families back into the school building for this important event.

On Wednesday the 16th of March we will share our online booking system via Parentmail. You will be able to book 5 minute appointments with all of your child's teachers on a first come basis. During the meeting we will hear from your child about their progress and see the work they are most proud about as they work towards their individual targets. At Wapping High School we proudly promote a coaching culture and we will be using this style within conversations as we continually look to improve the overall experience of parents events.

Whilst the Government has removed all restrictions surrounding covid, we are aware that cases are still active in our local community and as such we encourage you to wear a mask if you feel comfortable to do so and to sanitise your hands at the regular stations throughout the building.

If you are unable to attend because you are shielding, please do get in contact and we will organise a set of voice-notes from your child's teachers.

If you have any questions about the event, please don't hesitate to get in contact.

Best wishes

Jonathan Palmer
Assistant Head Teacher
Wapping High School
