

17th May 2022

Dear Parents/Carers,

We are really looking forward to our exciting Rome residential departing on Wednesday 25th May. Please remember we have an early start and students should arrive at Wapping High at 4.15 am.

### **Key Information - COVID-19 Testing Requirements**

We require all students to show proof of a **negative covid test** before flight departure (**the test should be taken no earlier than 7 am, Tuesday 24th May**). This must be an observed lateral flow test, where a picture is taken of your test along with your passport and uploaded to a website immediately after the test - instructions will be provided with the kit. A medical certificate will then be emailed to you saying your child is fit to fly.

**Once you receive your child's 'Fit to fly' certificate; please forward it immediately to [tiffanyingram@wappinghigh.org](mailto:tiffanyingram@wappinghigh.org) - Please note your child will not be able to travel if they do not have this document.**

Follow the website below and select **'Fit 2 fly Lateral flow Test for UK departure'** (this kit costs **£15.95**). We recommend you order the test kit today but **you must not carry out the test until 7 am on Tuesday 24th May**.

If you have any questions regarding the trip, please do not hesitate to contact us.

In the meantime, may we again congratulate your child on their achievements so far and we look forward to them being an ambassador for Wapping High School in Rome, Italy.

Warmest regards,

Ms T. Ingram  
Assistant Headteacher & Director of Languages
