

24th May 2022

Dear Parent or Carer,

Re: Year 10 Mock Examination Experience

I hope that this letter finds you and your family well.

We are delighted to be writing to you today to inform you of your child's end of Year 10 mock examination experience.

As our current Year 11 students settle into their GCSE examinations, we look forward to transitioning our energy into Year 10 as they step up to the exciting challenge of their final year at Wapping High School.

On Friday the 24th of June, your child will start their mock examination experience which will last four days. This is a period of time that has been designed to provide a flavour of the Year 11 mock examination process and will include one or two assessments in each of your child's GCSE subjects.

Students will be receiving their mock experience timetable during their assembly this week and will be collecting topic lists and useful revision resources from their classroom teachers. It is important that each student spends time over the next four weeks building up a programme of revision to ensure they get the most out of the experience. We will then use the data from each assessment to understand your child's current level of knowledge and to plan the next steps as we look towards Year 11.

Students should arrive at school at 8.25am as normal but will be allowed to leave the school after their last examination of the day, or their Option B lesson on Wednesday 29th of June. If you would prefer your child to stay on-site until the end of the school day we can facilitate independent study.

We have enclosed a copy of the timetable for you to discuss with your child and a list of useful online resources to help them organise their time leading up to these assessments.

Should you have any questions at all, please don't hesitate to get in contact.

Best wishes

Jonathan Palmer
Assistant Head Teacher
Wapping High School

Provisional Mock Experience Timetable:

Day	Friday 24th	Monday 27th	Tuesday 24th	Wednesday 25th
