

27th May 2022

Dear Parent or Carer,

Re: GCSE Examinations

We hope that this letter finds you and your family well.

It was with great pride of our amazing Year 11 students that we wished them well in our end of Year 11 assembly yesterday, marking the start of study leave. Year 11 students have shown incredible strength, perseverance and resilience during the first two weeks of the GCSE examination window and we are excited about the weeks ahead as they continue their journey through the GCSE examinations.

Whilst a period of study leave has now begun, we remain determined to provide the best possible support for your child. Attached to this letter is a robust plan of support for the remaining three weeks of the GCSE's. During this time we have been able to create a bespoke timetable of targeted revision sessions with subject specialists to help your child with their preparations for each of the remaining examinations. Whilst these sessions are not compulsory, we strongly recommend that your child attends them.

In addition, we are pleased to be running a Maths and History half-term revision day at school on Monday the 30th of May starting at 11am and finishing at 2.30pm.

The GCSE examination window concludes on June the 28th and the results will be available on Thursday the 25th of August. We will write to you next half term with details of our results day.

If you have any questions at all, please don't hesitate to get in contact.

Best wishes

Jonathan Palmer
Assistant Head Teacher

Week 3: 6th - 10th June

	8-8.30am	P1 & P2	P3	P4	P5 & P6	3.40pm
