

19th July 2022

Dear Parent or Carer,

Re: GCSE Results Day, Thursday the 25th of August

I hope that this letter finds you and your family well.

We would like to take this opportunity to once again applaud our amazing Year 11 students for all of the determination and resilience shown throughout their time at Wapping High School and in particular the last year which ended with their GCSE examinations. We are so incredibly proud of the students for all that they have achieved and for the calm and professional approach they have taken throughout.

On Thursday the 25th of August we are delighted to be hosting our GCSE Results Day and sharing the excitement of this important event with you and your child. The school will be open between 10am and 11am for students and families to receive their results. School leaders and teachers will be on hand to help your child understand their results and to offer any guidance with next steps should that be required.

If your child would prefer to receive their results via email we would be more than happy to arrange this and they should contact the school using the email address: jonathanpalmer@wappinghigh.org

We wish you and your child all the very best for the summer holidays as you prepare for the next phase of their education.

If you have any questions at all, please don't hesitate to get in contact.

Best wishes

Jonathan Palmer
Assistant Head Teacher
Wapping High School
Year 11 GCSE Results Day
