

30 October 2017

Dear Parents and Carers,

I am delighted to inform you about a **FREE Creative Choices** event at the National Theatre on **Thursday 9 November 2017**.

Creative Choices is an event which introduces students to the broad range of backstage and offstage careers in the theatre. Through practical workshops, talks and lecture demonstrations, students gain an insight into a range of different careers, from lighting and sound to costume, marketing and casting.

The day will start with a stage management and technical demonstration in the Dorfman Theatre, followed by a rotation of workshops and backstage tours. This day will be an opportunity for students to see a working theatre with vast resources and directly supports the GCSE Drama course they are studying.

Students will need to arrive at school at the normal time. They will be in lesson one as normal and then we will be leaving school for the rest of the day. We will travel by train to the theatre and return to school for a 4pm finish. Students will be required to bring a packed lunch, free school meals for those eligible will be provided.
